THANK YOU

You Give to United Way

Almost 9 thousand donors supported United Way of Grayson County last year.

We Safeguard Your Pledge

United Way is audited every year, your payroll deduction gift is safe and secure way to help the community.

We Research the Community

We're leading the charge in meeting the basic need in the focus areas of Youth, Sustainability and Health.—three of our communities most pressing issues..

We Fund Critical Programs

Before your gift to United Way of Grayson County is invested in a program or initiative a diverse group of volunteers from this community are involved in the decision.

32 Programs Create a Balanced System

Partner agencies apply for program funding based on the visions and intended results in the three focus areas.

We're your partner in creating community solutions.

We bring together caring people to help others, to solve tough local issues and create a better place for us all. No other organization united resources, experts and volunteers to make as great a difference as we do.
