

Imagine...

Every person in Grayson County having access to quality education, basic needs, and affordable health services.

We invite **YOU** to be part of the **CHANGE.**

Underneath everything we are,
underneath everything we do,
We are all people,
CONNECTED, INTERDEPENDENT, UNITED.
And when we reach out a hand
to one, **WE INFLUENCE THE**
CONDITION OF ALL. THAT'S
WHAT IT MEANS TO
LIVE UNITED.

GIVE.
ADVOCATE.
VOLUNTEER.

LIVE UNITED

WHERE GIVE LIVE

Today you can change your community forever.

OUR FOCUS YOU decide where CHANGE starts.

Youth: Helping provide quality education, afterschool programs, nutrition, and developing them into successful adults.

Sustainability: Ensuring Grayson County residents can succeed by providing basic needs for food, housing, emergency assistance, and job training.

Health: Providing healthier communities by promoting counseling, affordable health care, substance abuse, and dental care.
